ABOUT

Sree Narayana Guru Institute of Science & Technology, (SNGIST) is a Centre of Excellence in 'higher learning' which is unique and different not only for the guiding philosophy and values, but also for the innovative learning practices. SNGIST is led by the Gurudeva Trust from the noble intentions and farsighted vision of a few leader figureheads in their own communities and with years of experience in business and government. The mission of SNGIST is to enable students to explore the resources available to them and make their experience of it unique, personal and internalized for growth and to undergo a transformational learning.

The institution offers post graduate courses in MBA, MCA and Engineering degree course under Mahatma Gandhi University, Kottayam. The Library at SNGIST is an outstanding learning resource center catering to information requirements of students.
